## WE ~~THE~~ PEOPLE of Canada

v937556

To my fellow Canadian Brothers and Sisters of God. Our nation is under attack by evil, weak, corrupt humans and we have a duty to intervene. I write this letter to you as an urgent call to action and sincerely hope you consider supporting the Canadian National Guard.

~~Bankers~~ criminals masquerading as politicians have captured the ability to inflate currency, and by doing so, they have acquired a tool that enables unchecked deception, fraud, theft and extortion on a national scale. Unfortunately, the ability to inflate currency has also captured our judicial system which now serves to protect the ~~politicians~~ criminals who steal from us.

The solution to the root problem of fraudulent currency will not be found within the system of politics that perpetuate and benefit from the fraud. The solution is the adoption of sound money beyond control of our government and our coordination to hold politicians accountable to the abuses of power and unchecked waste committed over the past 15 years.

In pursuit of that mission, I'm establishing the Canadian National Guard as a citizen reserve force, and am seeking Guardians to join me. The National Guard is a citizen funded and operated network of Guardians with a mandate to guard freedom. duty serve the people and guard citizens from oppression and theft. I'm calling on leaders of families & companies, veterans, law enforcement and military - this pivotal moment requires engagement from us all to permanently abolish the ability of government to control currency. Political tyranny has come upon our land and waged spiritual, financial and economic warfare on our families and the people of Canada.

We have a simple mission: disable and abolish the ability to inflate currency. ~~Politicians~~ Criminals have established a stronghold through the ability to inflate currency. This ability has purchased them significant (but not complete) control over the judicial system. It is the duty of **WE ~~THE~~ PEOPLE** to restore freedom by asserting our rights and adopting sound money as our savings tool. Guardians are burdened with the responsibility of guarding the nation from spiralling into an irreversible, dark path to tyranny, oppression and slavery. If you are a person of God with Love for thy neighbours and a desire to abolish corruption, I ask that you see the severity of our situation and accept the calling to support the Canadian National Guard by becoming a contributing Guardian. Please share this message with every capable Man that you know so that we may grow in numbers and be victorious in our quest to permanently abolish currency inflation from our strong and free nation.

May the shield of God protect us and may the will of God be to conquer the enemy and liberate the people of Canada.

Respectfully,

*Guardian one*
